

COOKIE POLICY AT GREENFISH

WHAT ARE COOKIES?

A cookie is a file usually stored on the hard disk of a user's computer at the request of the server managing the visited website. It contains information about navigation made on the pages of this site. The idea is to facilitate the subsequent use of the site by the same user.

AT GREENFISH?

By continuing using our website, you accept the use of the following cookies: preferences, statistics and third-party cookies.

PREFERENCE COOKIES:

- Allow personalisation of services by memorising your preferences (choice of language, the region in which you are located)
- Prevent you from having to repeat your choices each time you visit the site
- Collect information communicated in online forms

NAME	EXPIRY
